職業：マジシャン

About my magician profile these are some simple videos about my table magic:

I pratcise magic tricks from when I was in the High School (about 1995),

When still living in Italy I used to do voluntery work for kids and old's people home

I moved in Japan in the 2006 and after the first 2 years in Osaka I moved in Kanagawa and started again the voluntery wor k and also I did some gigs in the evening for special occasion as Xmas parties and Bonenkai.

I do table magic and close up magic (not stage). I use many stuff for magic: playing cards, rope, toothpicks (an d other simple objects that you can find in a dinner table), rings, dices, etc…but my specialization are sponge balls.
