Actor / Musician

Originally from Canada, this versatile performer began his career in stand-up comedy, developing a strong sense of timing and stage presence before transitioning into the world of acting.

He appeared for two seasons in the Canadian TV series Corner Gas as the memorable “man in the green John Deere cap,” and went on to appear in numerous film and television projects, both in Canada and Japan.

In addition to acting, he is an accomplished musician and composer, having written music for Japanese artists and commercial projects, showcasing his creative versatility both on-screen and behind the scenes.
