Ahmed is a German-born model and singer specializing in R&B, funk, and neo-soul.

Influenced by artists such as Steve Lacy, Daniel Caesar, and SZA, he blends smooth vocals with soulful melodies to create a sound that is both contemporary and emotionally rich.

Born and raised in Germany, Ahmed moved to London at the age of 18, where he continued to refine his musical craft. His talent drew attention online, eventually catching the eye of SZA, which led to opportunities to collaborate with the Grammy Award-winning Metropolis Studios.

His original track “ANTiDOTE” was released on streaming platforms through a collaboration with the German record label Floor6 (formerly MusicMakingPeople).

In February 2023, he relocated to Tokyo, where he is currently based as a model and artist.
