Piano & Chromatic Accordion

Born in Iwaki City, Fukushima Prefecture, she began studying piano at the age of four and received numerous awards from an early age. While majoring in Piano at Tokyo College of Music, where she studied under Hitoko Kurasawa and Nobuko Sato, she began performing professionally in Tokyo. After graduation, she attended Musica en Compostela in Spain, where she studied with the late Antonio Iglesias and Josep Colom, earning a diploma.

In November 2014, driven by a desire to expand her expressive range, she spontaneously took up the button chromatic accordion, studying under Kazuyoshi Shibasaki. Since then, she has performed alongside some of the world's leading musicians at Billboard Live Tokyo.
